## Fast Track Extension acceptance process for standards, editions, amendments for which the NCB has been already accepted for previous standard edition(s)

We hereby declare that to our knowledge the standards listed in the table below do not require:

- any additional technical competence by the laboratory staff
- any additional testing and measuring equipment from the standards for which we are already accepted (please detail the reference standard(s)/edition(s)/amendment(s):

We also declare that we are able to carry out the overall testing and measuring according to the standard(s) listed in the table below.

Signature of the laboratory manager:

Signature of the head of NCB:

Date:

Date:

Product Category	NCB Standards for which the NCB is already accepted	Standards, editions, amendments for which the NCB is seeking extension	CBTL Accepted scope	Requested scope	CBTL Accepted scope	Requested scope

Note: If the request for scope extension implies additional technical knowledge and/or testing and measuring equipment the current procedure as set in OD-CB2007 applies

Note: Please fill in the relevant columns only.
